H DÉCO PORCELAIN

DESIGN / INSPIRATION

- An expansion of the tea-time porcelain collection H Déco launched in 2014 to turn it into a complete dinner service
- With its contemporary profile, H Déco proves its sharp elegance, with the black and white designs of Benoît-Pierre Emery
- Borders, scales and interlacings around the “Hermès Lift” inspired H Déco, a very Parisian porcelain collection
- Art Déco architectural elements adorning the iconic Parisian stores, which became strong Hermès codes: ironworks from the 24 Faubourg and the store of Sèvres, details from the Lift, “Grecque” pattern, guilloches ornament featured on a box from the Emile Hermès private collection

FEATURES & CRAFTSMANSHIP

- Complete service of 30 references (tableware and decoration)
- Standard shapes
- “Everyday use” and entry price (in line with Chaîne d’ancre bleu)
- Gift sets to trigger gift purchases

KEY DATES

- M&O Janv 2017
- In-store launch: March 2017

CARE INSTRUCTIONS

- Dishwasher safe (from 400 to 600 washes ie 8/10 years of “normal” every 2/3 days use)
- Microwave safe except for the tart platter and the large round platter lined with hand applied platinum

MADE IN

- France

INTERVALLE CRYSTAL

010250P
Stemmed glass
10.9 fl oz - H 6.7 in

010251P
Champagne flute
8.8 fl oz - H 8.3 in

010252P
Tumbler
8.5 fl oz - H 3.5 in

010253P
Highball
13.5 fl oz - H 5.3 in

DESIGN / INSPIRATION

- This range of crystal designed by Pierre Charpin reformulates the diamond cut through a mathematical play on the x and y axes, enlarging the intervals, for a renewed clarity.

FEATURES & CRAFTSMANSHIP

- Intervalle is composed of 4 essential pieces to accompany our tableware collections including a stemmed glass, a champagne flute, a tumbler and a highball in clear crystal

KEY DATES

- M&O Janv 2017
- In-store launch: April 2017

CARE INSTRUCTIONS

- If using of dishwasher, select a moderate-temperature programme, use a small amount of dishwashing powder and make sure there is enough space between products
- Cleaning by hand with a soft sponge and gentle dishwashing liquid is recommended
- Avoid contact between pieces and to pile glasses on top of each other

Ø 4,7 in
13.5 fl oz

038385P
Small bowl gold
Ø 3,7 in
7.1 fl oz

DESIGN / INSPIRATION

- As a precious interlude, Carnets d'Équateur cups and bowls are adorned with 24-carat gold
- Cups, bowls and saucers are adorned with 24-carat matt gold to become an exceptional range

FEATURES & CRAFTSMANSHIP

- Short service of 5 references (decorative pieces)
- A 24 carat mat gold coating inside the bowls, cups and on the saucer, hand painted and polished (with fine sand and a humid duster)
- Standard and adapted shapes
- 24 soft and powdery colors

KEY DATES

- M&O Janv 2017
- In-store launch: April 2017

CARE INSTRUCTIONS

- Gilded surfaces are susceptible to scratch damage due to the delicacy and carat content of the gold. It is normal for this exceptional piece to show small wear marks and for the gold to show a natural patina. If needed, use silver polish in moderation to soften them.
